

NEW PATIENT APPOINTMENT INFORMATION
NGPG ALLERGY AND ASTHMA

Please arrive 30 minutes prior to your scheduled appointment time and make sure that you complete your New Patient information **before** your appointment via MyChart. Click on the correct visit/appointment, Scroll down to Prepare for Visit and Click on Patient History. Verify all Medical information, Demographics and answer the travel questionnaire.

Please bring with you to the appointment:

1. Drivers License or Photo ID
2. Current Insurance Card
3. Copay due (you can pay this via MyChart)
4. All medications you are currently taking

We recommend that you contact your insurance to verify that the Pulmonary Function Test is covered.

Pulmonary Function Test cpt code:

94060- Pulmonary Function Test

Most common diagnosis code- J45.50 Asthma
